**Lawfare: Fighting Back**[Print](#) [Close](#)

While anti-Jewish and anti-Israeli individuals and organizations around the world seek to harm Israel and its people using warfare, terrorism, and other illegal or deceitful tactics, Shurat HaDin believes in using existing laws to attain its objectives.

Thus, we have been involved in court actions ranging from a lawsuit against Jimmy Carter for misrepresentation, to forcing the trial of Hamas terrorists as war criminals. We also engage the media and public at large to clarify important issues, like designating the Gaza flotilla a violation of US law under the US Neutrality Act, and notifying maritime insurance carriers about the illegality of providing insurance to future flotilla vessels.

## Shurat HaDin explores legal action against FACEBOOK

**march 17, 2011:** As you might be aware, some FACEBOOK pages established by Palestinian extremists calling for a "Third Intifada" against Israel. The first page, established on March 6th, has designated May 15, 2011, as the day of the Third Intifada

and is actively calling on Muslim states and Palestinians to invade Israel on that date and "liberate" it. The extremists have asked that all sympathetic FACEBOOK users help disseminate the page and spread its call to destroy Israel. The page boldly states: "After the Tunisian Intifada, the Egyptian Intifada and the Libyan Intifada, it's now time for the Palestinian Intifada."

### Palestinian Media Figures Guilty of Advocating Mass Murder

NITSANA DARSHAN-LEITNER

**The Jerusalem Post Feb. 2, 2004:**

While many around the world seem focused on the upcoming legal confrontation in the International Court of Justice involving the legitimacy of the security fence, another important decision in a different international forum seems to have passed by unnoticed. In early December 2003, the International Criminal Tribunal in Rwanda (ICTR) found three African media executives guilty of genocide, incitement to commit genocide and crimes against humanity for the hateful reports and editorials they had published and broadcast nine years before.
